ELO Entrepreneurial Growth & High Performance Workshop, May 7, Langley, BC

This workshop is for small and medium sized enterprises, entrepreneurs and family business owners who want to grow and build a more effective enterprise and know what pitfalls to avoid along the way. The panelists from Covenant Family Wealth Advisors, Avisar CPAs and McQuarrie Hunter law firm will focus on the key issues faced by growing businesses and their owners and how to overcome them. It's a "workshop" format, so it is intended to be interactive – people should come prepared to learn, ask questions, take lots of notes. **For more information and to register, CLICK HERE.**
