

CHRISTIAN MARKETPLACE LEADERS TOUR TO ISRAEL
JANUARY 18 – 27, 2019

INFORMATION FORM

Dear Friend,

We appreciate your interest in joining this very unique Christian Marketplace Leaders Tour to Israel.

Please note that this "Information Form" is an effort by us to get acquainted with you.

For the purpose of identifying suitable participants, we request that you fill out this Information Form. If you are part of a group (two or more people) then only the "lead participant" needs to complete this Information Form. By "lead participant" we mean the person who is involved in the marketplace who is taking the initiative to join the tour and who will bring others with him or her. This could be a company owner bringing employees or it could be a family member bringing their spouse and/or adult children.

We want to make sure that individuals joining the tour are involved in marketplace activities in whatever capacity. We define "marketplace" broadly to include people involved in whatever level in business (whether as owner, employee, consultant, manager, etc.) or the professions (law, accounting, etc.) or in leadership of ministries

This Information Form should be completed and submitted along with the Registration Form.

Thank you for taking the time to complete this information form.

Thank you for your interest in this tour!
